Summary of Proposed Revised Rules
Child Find

For the Proposed Revised Rules for Child Find, §3.01.2 of Special Education and Related Services: Procedural Requirements and Program Standards, the revision to §3.01.2, Child Find, is necessary to clarify the responsibility of school districts relative to conducting child find for private school children with disabilities. The proposed revised language will make this rule consistent with the language at 34 Code of Federal Regulations §300.451, the regulations promulgated under the Individuals with Disabilities Education Act (IDEA), with which the state must comply.
